

Nourishing the Nation

Where does your riding rank?

Restaurants Canada's "Top 10 Restaurant Ridings" shows how restaurants are part of every community across Canada.*

From number of employees to number of restaurants - where does your riding stand?

Total Restaurants per Community

Which electoral ridings have the most restaurants in Canada? Did your riding make the cut?

Canada's restaurant industry generates \$72 billion in economic activity, representing nearly 4% of GDP

We're In Every Community

Total Restaurant Jobs per Community

Which electoral ridings produce the most restaurant jobs in Canada? Did your riding make the cut?

The Canadian restaurant industry directly employs more than 1.2 million Canadians representing 7% of the country's workforce.

Together we're building a strong, vibrant restaurant and foodservice industry that directly employs more than one million Canadians.

*The lists were compiled using data from Restaurants Canada, Business Register, Statistics Canada and iRCOM/NPD Group.
