Re: Top selling products available at BCLIQUOR Hospitality Hub centres & WCC Victoria

Please share this communication with your hospitality customer membership.

As previously announced, to support hospitality customers with replenishing their inventory as quickly as possible, BCLIQUOR (BCL) has set up 15 temporary Hospitality Hub centres where hospitality customers can purchase a selection of top selling spirits, liqueurs and import wine. The Wholesale Customer Centre (WCC) in Victoria is also making these products available to their hospitality customers.

As of October 30, all Hospitality Hub centres (listed below) have inventory of these top selling products available.

BCL Hospitality Hub centres
