GENERAL RECRUITMENT SUPPORT

Introductions to Employment Service Providers (ESPs)

Our ESP partners are Government funded organizations supporting talent pools of job seekers with the mandate to get people into employment. When you require recruitment support, we will discuss your needs, share the options available in our network, and introduce you to the solution(s) of your choice.

- ESPs always have job seekers looking for work
- Sustainable sources of talent from all demographics in communities across Canada
- ESPs provide services like candidate pre-screening, retention support, bulk hiring events
